

# Just for the LITTLE BUCKAROO

## Make Ice Cream In A Bag

### You Need:

- Gallon Size Ziploc bags
- Quart Ziploc bags
- 1/2 cup Coarse Salt
- Ice
- 1/2 cup Half & Half Cream
- 3 tsp. Sugar
- 1 tsp. Vanilla
- Toppings - Like Chocolate Syrup, Chocolate Candies, Fresh Fruit, Crushed Cookies, etc.

### Directions:

1. Put 1/2 cup of coarse salt and a bunch of ice in the gallon sized bag.
2. Put Half & Half Cream, Vanilla, and sugar in the small bag.
3. Seal the small bag, place it in the larger bag, seal the larger bag, and shake it until ice cream forms (Approximately 10-15 minutes).
4. Wipe the small bag off before opening it so you don't get salt in your ice cream.
5. Add toppings to the bag and enjoy!
